About Us

The Get Sourced journey began in 2021 with a vision to make resources easily accessible for all businesses. Emerging during a global pandemic, Get Sourced was created with a powerful mission: to unite the community by providing a network of businesses and marketing services.

There was a need for a platform that could simplify the journey from concept to execution, particularly in the realms of merchandise, advertising, and marketing. This led to the creation of Get Sourced—a network designed to streamline business operations by connecting companies with essential resources.

The driving force behind Get Sourced has always been a desire to give back to the community and unite businesses. We recognized the untapped potential within the creative industry and saw an opportunity to foster economic growth and innovation. Our passion is to help businesses thrive by offering a platform that supports their progress and inspires positive change.

We envision Get Sourced as a central hub for businesses seeking to source high-quality products and services. Our aim is to be the go-to resource for companies looking to expand and enhance their operations, driving success within our community.

HOW GET SOURCED WORKS

DISCOVERY

Consultation and Needs Assessment

We start by engaging in detailed consultations to understand your business requirements and objectives thoroughly. This stage involves gathering insights and conducting a comprehensive needs assessment to ensure we grasp the full scope of your project.

ANALYSIS & PLAN

Strategic Sourcing

Following the discovery phase, we embark on strategic analysis and planning. Leveraging our extensive network and expertise, we identify the best-fit suppliers and services tailored to your specific needs. Our goal is to develop a detailed plan that aligns with your business strategy and objectives.

EXECUTE

Project Management and Quality Assurance

Once the plan is finalized, we move into execution. This phase encompasses precise project management, from initial designs and negotiations to overseeing deliverables and implementing stringent quality control measures. We ensure every detail meets our high standards and exceeds your expectations.

SUPPORT

Ongoing Communication, Improvement and Ideas

Our commitment to your success extends beyond project completion We stay engaged with you through ongoing communication and are always ready to help. Whether you have questions about products, need improvements, or are looking for new ideas, we're here for you. We also offer creative suggestions and innovative solutions to keep your business ahead of the curve. By continuously exploring new trends and technologies, we help you find fresh and effective strategies for success.
